The IB is looking for DP students who reached their educational goals somewhat ‘outside the DP box’ as artists, athletes, musicians, thespians and other creative types. We’ll share the most inspiring stories we find in:

- blog posts that highlight DP experiences not often seen in the IB community.
- podcasts featuring DP graduates who define ‘success’ measured by their own personal goals and perspectives.
- student profiles, shareable in schools among parents and prospective students.

Send your ‘hot leads’ about creative, artistic, musically or athletically gifted DP students/graduates to jeanluc.botbyl@ibo.org
