Ideas: use blog to connect to content. Brand and advertise the FLIBS Facebook page- how is it used, who is the target audience? Have different group pages for discussion of topics. Be mindful of privacy laws, not very professional. Twitter presence to blog and follow up on PD, twitter can connect teachers as sometimes coordinators do not share about FLIBS, Social Media Monitoring is a full-time job! LinkedIn- professional network, share PD, recruiting,</p> <p>IB Talent Search – email video or upload to International Baccalaureate “wetransfer” site. Complete the Form – should be a video LESS than 3 minutes, not more than! Doesn't have to be traditional music or dance – could be drama, pantomime, spoken word, poetry.</p> <p>Legislative Liaison Report – Bonus \$\$ for IB exams, there is legislation to eliminate the cap potentially in process; articulation between HS and colleges in FL will continue about # of credits earned based on DP courses (up to generally 30-45).</p> <p>Workshops – May and September – more offerings than in prior years. Karen Brown does an</p>
