**June 16 2017-Specialists in the PYP**

<b>Topic</b>	<b>General Notes</b>
Specialists in the PYP	Specialists from 4 different schools shared their approaches to incorporating their disciplines into our PYP programmes. After whole group presentations, each special area grouped into their discipline to discuss specifics for their area. Topics ranged from planners and schedules to supports and collaboration. Coordinator from Freedom 7, Lucy Haddock, also did an introduction to Twitter and created our own group hashtag (#FLIBSpyp). The group also visited our FLIBS PYP Facebook group. Both social media avenues were explored as ways to further professional development opportunities both within and outside of one's own school.
